

With **EAT YOUR GARDEN**
 Leonie has compiled
 years of school and home
 garden experience into a
 practical guide which truly
 demonstrates for the rest of us
 the *edibility* of our gardens.

165 x 235 mm page size

144 full colour pages

Over 180 stunning photographs

Includes practical information on a range
 of gardening essentials including ...

- Comprehensive monthly planting guides
- Worm farms and worm towers
- Compost methods to build your soils
- Methods for no-dig, tank, pots and theme gardens
- Nutrition for soil, plants and you
- The full cycle from seed planting to seed saving
